About Tim

As a leader on tax reform, education and job training, and innovative ideas to reinvest in our nation's distressed communities, United States Senator Tim Scott brings a unique perspective to the United States Senate. Growing up mired in poverty in a single parent household, Tim says that he is living his mother's American Dream, and through his Opportunity Agenda works every single day to ensure every American family has the opportunity to succeed.

Senator Scott has served the great state of South Carolina in the U.S. Senate since 2013, and brings with him a mission to positively affect the lives of a billion people with the message of hope and opportunity. Growing up poor in a single-parent household in North Charleston, South Carolina, Tim watched his single mother work 16-hour days as a nurse's assistant to keep him and his brother afloat.

As a freshman in high school, Tim nearly failed out, flunking four classes. However, the next year, he met his mentor named John Moniz who shared life-changing ideas and the basic principles of business with Tim. Through hard work, education, innovation, and with the discipline his mother gave him, he began the process of turning his life around.

The lessons gleaned from his mentor still guide Tim today: you can think your way out of poverty, and financial independence is a stepping-stone for success. Having a job is a good thing, but *creating* jobs is a great thing.

An unbridled optimist, Tim believes that despite our current challenges, our nation's brightest days are ahead of us. During his time in office, he has been a tireless advocate for creating more opportunities for families living paycheck-to-paycheck and helping children who are mired in poverty have access to quality education. He launched his Opportunity Agenda, a legislative package aimed at achieving these goals, as well as the Senate Opportunity Coalition, a group of Senators committed to helping those in need.

Tim also knows that in order for our nation to prosper, we must get our spending and national debt under control. He has sponsored balanced budget amendments throughout his time in Congress, and will continue working to restore fiscal sanity in Washington.

Prior to public service, Tim built a successful small business of his own. He was first elected to Charleston County Council, to the South Carolina State House, and the U.S. House of Representatives. In January 2013, Tim was sworn in as a United States Senator from South Carolina, and was re-elected in January 2017.
